ARTICLE 15 -- INSURANCE

INSURANCE POLICY STATEMENT

Any company or individual performing work for the City of Coos Bay (hereinafter "the City") or hosting a special event on City property shall be required to provide proof of insurance to the City per applicable insurance level.

1. General Liability shall be a per occurrence form and must cover the time for which the work/event/contract is being performed/held.
2. Proof of insurance of not less than the amount required is to be provided. Limits shown in the requirements are a minimum per occurrence limit.
3. If the City is required to use Federal or State insurance policy limits, or is subject to the Federal or State tort claim limits, the limits required through this statement shall be superseded by such limits.
4. If a claim occurs where the amount of the claim exceeds the insurance policy limits required by this directive, the company or individual performing work/hosting event assumes full responsibility for the payment of such claim.
5. Waivers of the policy limits or provisions in this policy must be approved by the City Manager, City Attorney and the City Risk Manager of Record. Insurance policy limits may also be required to be higher based upon the City's review of the specific application for which insurance is required.
6. Tail Coverage": If any of the required liability insurance is on a "claims made" basis, recipient shall maintain either "tail" coverage or continuous "claims made" liability coverage, provided the effective date of the continuous "claims made" coverage is on or before the effective date of the Contract/Agreement, for a minimum of 24 months following the later of:
 - (1) Recipient's completion of all services and the City's acceptance of all services required under the Contract/Agreement, or

- (2) The expiration of all warranty periods provided under the Contract/Agreement. Notwithstanding the foregoing 24-month requirement, if recipient elects to maintain "tail" coverage and the maximum time period "tail" coverage is reasonably available in the marketplace is less than the 24-month period described above, recipient shall maintain "tail" coverage for the maximum time period "tail" coverage is reasonably available in the marketplace for the coverage required.

7. Definitions Only:

Commercial General Liability: To cover bodily injury, death, and property damage. This insurance shall include contractual liability coverage for the indemnity provided under those listed in the Agreement/Contract, personal and advertising injury liability, products liability and completed operations liability. Coverage may be written in combination with Automobile Liability Insurance (with separate limits).

Professional Liability: To cover error, omission or negligent acts related to the professional services to be provided under the Agreement/Contract.

Automobile Liability: To cover each accident for bodily injury and property damage, including coverage for owned, hired, non-owned, leased, or rented vehicles as applicable. This coverage may be written in combination with the Commercial General Liability Insurance (with separate limits).

Umbrella Liability: To cover excess liability over several of the insured's primary liability policies. An excess liability policy may be what is called a following form policy, which means it is subject to the same terms as the underlying policies; it may be a self-contained policy, which means it is subject to its own terms only; or it may be a combination of these two types of excess policies.

Umbrella policies provide three functions:

- (1) To provide additional limits above the each occurrence limit of the insured's primary policies;
- (2) To take the place of primary insurance when primary aggregate limits are reduced or exhausted; and
- (3) To provide broader coverage for some claims that would not be covered by the insured's primary insurance policies, which would be subject to the policy retention.

Most umbrella liability policies contain one comprehensive insuring agreement. The agreement usually states it will pay the ultimate net loss, which is the total amount in excess of the primary limit for which the insured becomes legally obligated to pay for damages of bodily injury, property damage, personal injury, and advertising injury.

Level 2 Insurance Requirements: Professional Services Agreements under \$50,000

Commercial General Liability Per occurrence *to include a Waiver of Subrogation and an Additional Insured Endorsement	\$ 1,000,000
Professional Errors and Omissions liability (Per occurrence)	\$ 2,000,000
Workers' Compensation *to include a Waiver of Subrogation	Statutory Limit
Applicable Federal (e.g., Longshoremen's)	Statutory Limit
Employer's Liability	\$ 500,000
Umbrella/Excess Insurance Per occurrence	\$ 1,000,000
Automobile Liability Per occurrence *to include an Additional Insured Endorsement	\$ 1,000,000

IMPORTANT: If the certificate holder is an ADDITIONAL INSURED, **the policy(s) must be endorsed.** If SUBROGATION IS WAIVED, subject to the terms and conditions of the policy certain policies may require an endorsement. ****A statement on this certificate does not confer rights to the certificate holder in lieu of such endorsement.**

8. Should the Umbrella/Excess Insurance coverage combined with Commercial General Liability coverage not equal or exceed the minimum combined coverage shown, coverage must be increased to equal or exceed the minimum total coverage limits shown.

If there is no Umbrella/Excess Insurance coverage, then the Commercial General Liability, Employers Liability, and Automobile Liability limits must be increased to equal or exceed the minimum total coverage limits shown.

9. (If applicable) Contractor will purchase and maintain property insurance for the entire work at the site on a replacement cost basis.

Contractor shall obtain, at Contractor's expense, and keep in effect until final acceptance of the work performed under this contract, an Installation Floater or equivalent property coverage for materials, equipment, supplies, and tools to be used for completion of the work performed under this contract.

The Installation Floater shall include coverage for testing, if applicable.

The minimum amount of coverage to be carried shall be equal to the full amount of this contract.

The contractor will be responsible for any applicable deductibles.

10. The Certificate of Insurance(s) and Endorsement(s) will be a part of the Contract/Agreement and shall be provided to the City with endorsement(s) indicating that the Commercial General Liability insurance coverage is in effect which shall be **primary and non-contributory** with any insurance maintained by the City.

For construction contracts, a per project aggregate (form CG 2503 05/09 or equivalent) shall also be required.

In all situations, the City shall be included as an additional insured under the commercial general liability, automobile liability, and umbrella liability policies as applicable.

As applicable, a waiver of subrogation under the workers' compensation and commercial general liability policies shall also be provided.

Copies of such endorsements or coverage enhancements **shall be attached to the certificate(s)** provided to the City and will become a part of the Contract/Agreement.
