The market/feasibility study for the Egyptian Theatre, located at 229 South Broadway, Coos Bay has been completed. The City of Coos Bay hired Historic Theatre Consultants to perform a market/feasibility study for the Egyptian Theatre Restoration Project. Marketek of Portland assisted HTC with the project. Historic Theatre Consultants is located in Tucson AZ and owned by Herb Stratford.

The study is an essential component for developing the strategic and capital campaign plans for restoration of the Egyptian. To access the current market for programming and potential audiences at the Egyptian data was gathered utilizing a community survey, interviews with key stakeholders, competitors, potential users and downtown businesses as well as other research.

A presentation of the Egyptian Theatre market/feasibility study by Herb Stratford will be given on June 13th in the Coos Bay Downtown Fire Hall community meeting room. All interested citizens are encouraged to attend the meeting.

Copies of the study will be available at the meeting or by contacting Joyce Jansen, Economic Revitalization Administrator at 541-269-8924 - jjansen@coosbya.org, or on the city's website/Egyptian Theatre.

Presentation

Wednesday, June 13th

5:30 p.m.

Coos Bay Fire Station
450 Elrod Avenue
Coos Bay OR
