

Addendum # 2 – WWTP 2 Sanitary Sewer Outfall Repair  
December 30, 2015

Additional Questions:

1. Do you have a supplier not of choice but one that helped with the estimate of these fittings of the end of the pipe?

*Answer: The Engineer worked with Pacific Corrugated in Eugene to develop the outfall diffuser repair fittings. The City has no objection to the contractor directly contacting Pacific Corrugated.*

Additional Information:

**BID OPENING HAS BEEN POSTPONED TILL WEDSDNDAY, JANUARY 6, 2015 AT 2:30 PM.**
