**RFI No.:** 003

**To:** Contract Bidders

**Prepared By:** Pam Patton

**Subject:** RFP for Mingus Pool  
Mechanical  
Mingus Pool Dressing Rooms/Restroom Tile Project  
Mingus Pool - Plaster

---

**Contractor Question:**

1. This has been a bit crazy and frustrating for most trying to get your bids completed. I'm not sure who this floor plan will apply but it was requested by a contractor to see the floor plan of the bathhouse/dressing rooms. This is from previous work dated 1999
2. I believe the tile was called out for the dressing rooms as "type 1 tile / Bliss"
3. It has also been asked regarding bonds. We will be asking for a bid bond and we will be asking for a performance bond only.
