All information and data furnished to a vendor by the City and all other documents to which the vendor's employees have access during the preparation and submittal of the proposal shall be treated as confidential to the City. Any oral or written disclosure to unauthorized individuals is prohibited.

PUBLIC RECORD

All proposals and information submitted by proposers are not open for public inspection until after the notice of intent to award a contract is issued. Except for exempt materials, all proposals and information submitted by proposers will be available for viewing after the evaluation process is complete and the notice of intent to award is sent to all participating parties.

INDEMNITY

Vendor shall hold harmless, indemnify, and save the City, its officers, employees, and agents from any and all liability claims, losses, or damages arising or alleged to arise during the performance of the work described herein by reason or any act or omission of the vendor or any of its agents, employees or representatives. The indemnity applies to both active and passive acts and other conduct.

EMPLOYMENT STATUS

Contractor shall perform the work required by this contract as an independent contractor. Although the City reserves the right to determine and modify the schedule for the work to be performed and to evaluate the quality of the completed performance, the City cannot and will not control the means and manner of the Contractor's performance. The Contractor is responsible for determining the appropriate means and manner of performing the work.

Contractor represents and warrants that the Contractor is not an employee of the City of Coos Bay and meets the specific independent contractor standards of ORS 670.600. Contractor is not an officer, employee, or agent of the City. Contractor shall be responsible for any federal or state taxes applicable to any compensation or payments paid to Contractor under this contract and, the City will not withhold from such compensation or payments any amounts to cover Contractor's federal or state tax obligations. Contractor is not eligible for any Social Security, unemployment insurance, or workers compensation, from compensation paid to Contractor under this contract except as a self-employed individual.

INSURANCE

The Contractor shall maintain during the life of this contract the following minimum public liability and property damage insurance which shall protect the City and Contractor from claims for injuries including accidental death, as well as from claims for property damages which may arise from the performance of work under this contract, and the limit of liability for such insurance shall be as follows:
