Matthews, Carmen

I am applying for the CB/NB Water Board.

1. Identify your experience, education, and training which could benefit the committee and the community.

I have a BS in community health from the University of Oregon; 16 years of work experience with City of Eugene (Library); 25 years of work experience with Coos County, including the past 11 years as public health administrator (I'm a PERS retiree working until May 1, 2013); considerable training in management, government processes and regulatory functions, incident command and emergency response, and public health specific programs, which serve individuals, and also the whole community. My work as Public Health Administrator has included the oversight over the Coos County Environmental Health program, including the regulatory function for the smaller drinking water systems (ground water sources with <3300 users), so I have considerable knowledge of issues related to drinking water.

2. List the nature and extent of your past and present community involvement.

As Public Health Administrator, I have been involved in collaborative efforts with many agencies and organizations, including health care, cities, counties, and state governments, schools, colleges, law enforcement, emergency responders, social services, environmental, and private non-profits. I am currently an ex officio member of the Coos County Local Public Safety Coordinating Council, and the Area Ambulance Advisory Board; and a continuing member of the Coos County Commission on Children & Families (11 years). I also contribute my personal time to the community through my current membership in the Zonta Club of the Coos Bay Area and the League of Women Voters of Coos County, and have served on those boards in the past. I am also a founding board member of the Coos County Friends of Public Health (501c3 non-profit organization).

3. List two references we may contact; include name, title, affiliation, address and phone.

Crystal Shoji, Mayor
Coos Bay City Council
City of Coos Bay
500 Central Avenue
Coos Bay, OR 97420

Dear Mayor Shoji and Council Members:

I am submitting my application (attached) for the position on the Coos Bay North Bend Water Board. I have been a resident and property owner in the City of Coos Bay for about 25 years. I believe that my experience working in government and on non-profit boards, plus my basic understanding of drinking water issues, would make me a desirable candidate for this position. I am retiring from my position with Coos County in the very near future and look forward to volunteering my skills to contribute to the good of the community. I would be happy to further discuss this with you in an interview, and can be reached during the day at 541-751-2425.

Sincerely,

Frances Smith

1. Identify your experience, education, and training which would benefit the committee and the community.

I am currently a practicing attorney in North Bend, Oregon, but I also have ten years of experience in the water science/water treatment/water purification area.

I have worked for both groundwater and surface water systems, which gives me a range of knowledge that is well-suited to our system.

2. List the nature and extent of your past and present community involvement.

I am currently one of the Coos Bay representatives to the Water Board. I am also a graduate of Ford Leadership and a trainer, a graduate of Leadership Coos, a recently elected Bay Area Chamber of Commerce Board Member, and a member the Oregon State Bar House of Delegates.

3. List two references we may contact; include name, title, affiliation, address and phone.

RE: Application for Coos Bay North Bend Water Board

Dear Mayor Shoji and City Council Members:

I am pleased to submit my materials for your consideration as one of your appointed representatives to the Coos Bay North Bend Water Board. I have served in this capacity since I was appointed in 2008, and I am actively seeking reappointment. I appreciate your consideration of my application materials.

I understand the issues facing our Water Board, and I can work together as part of a team to help the Water Board move forward. I am available at your convenience to meet with you and discuss my qualifications. If you have any further questions, I can be reached at (541) 297-5639.

Sincerely,

A handwritten signature in black ink, appearing to read "Melissa T. Cribbins". The signature is fluid and cursive, with the first name being the most prominent.
