

CITY OF COOS BAY CITY COUNCIL
Agenda Staff Report

MEETING DATE	AGENDA ITEM NUMBER
July 16, 2013	

TO: Mayor Shoji and City Councilors

FROM: Chris Chapanar, Police Captain
Through: Rodger Craddock, City Manager

ISSUE: Traffic Crash Statics on Ocean Blvd.

BACKGROUND:

The presentation will provide the Council with statistical information regarding crash data on Ocean Blvd. The statistical data will cover the past five years of vehicle crashes. The data will include the number of crashes that occurred prior to the new "Road Diet" configurations which was completed in June of 2011, as well as the number of crashes that have occurred after the new configuration.

During the presentation, we will focus on a couple of the major intersections on Ocean Blvd and take a closer look at the crashes that have occurred during the past five years.

ADVANTAGES:

Council will be informed of the crash data results and how the new configuration has lowered the number of crashes that have occurred on Ocean Blvd at the major intersections.

DISADVANTAGES:
