

CITY OF COOS BAY CITY COUNCIL
Agenda Staff Report

MEETING DATE	AGENDA ITEM NUMBER
June 17, 2010	

TO: Mayor Shoji and City Councilors

FROM: Jim Hossley, Public Works Director

THROUGH: Rodger Craddock, City Manager

ISSUE : Public Hearing - Consideration of an Ordinance Regulating Smoking on City Boardwalks and in City Pavilions

BACKGROUND

At the May 6, 2014, Council meeting, City Councilors requested that staff bring forward an ordinance prohibiting smoking under the wooden pavilions at the north end of the City's wooden boardwalk. The City's current ordinance prohibiting smoking in Mingus Park can be amended to expand the smoking prohibition to these buildings. The current ordinance prohibiting smoking in Mingus Park was adopted by Council June 1, 2010 on a 4-3 vote.

The ordinance document attached for public hearing and your consideration adds language to the City's municipal code to prohibit smoking within twenty-five feet of the City's wooden boardwalk which would also include the City's three pavilions. The potential fine amount for violation of the proposed smoking ban is addressed by current language within the existing Parks Regulations (CBMC 12.35.030). A violation can result in a fine not to exceed \$1000. Police officers have flexibility in the way they might handle violations of the proposed smoking ban. The no smoking areas will be designated by signage.

ADVANTAGES

The public hearing will allow the Council to gather additional public input on this matter.

DISADVANTAGES

Enforcement of the proposed ordinance is expected to impact Coos Bay Police Department resources; however the impact is expected to be limited.

BUDGET

There will be a cost for the purchase on installation of signage and poles for designated no smoking areas. Total cost is not expected to exceed \$2500 for materials. The signs will be installed by city staff. Funds for the materials will come from the Parks general fund.
