

CITY OF COOS BAY
Agenda Staff Report

MEETING DATE	AGENDA ITEM NUMBER
July 1, 2014	

TO: Mayor Shoji and City Councilors

FROM: Jim Hossley, Public Works Director *JH*

THROUGH: Rodger Craddock, City Manager *RC*

ISSUE: Fee Resolution 14-15 Adding Fee for RV Dump

BACKGROUND:

For several years the City has operated a Recreational Vehicle (RV) wastewater effluent dump site along Front Street. While the current City fee resolution does not provide for the RV effluent dump fees, the City does request a \$1.00 per use. Collection of this \$1.00 fee has been on the honor system. The City typically collects \$2000 to \$2500 annually. The City is contracting with Sani-Star to install an automated card swipe payment system at the City's dump site. Sani-Star will own and maintain the automated system. The City will share the revenue with Sani-Star. The charge per use of RV effluent dump sites along the Oregon Coast varies. Most RV camping areas (State and Private) include use of their effluent dumps in their overnight camping fees. Some private camping areas allow non-guest RV's to dump for a fee. The fees are not widely published but most are less than \$10. Other Sani-Star locations in Oregon charge \$5 to use. Staff recommends the City Council approve the attached resolution setting the RV effluent dump fee at \$7.00.

ADVANTAGES:

The fee resolution provides Council approval for fees collected at the City's RV effluent dump site.

DISADVANTAGES:

Increase cost for the user.

BUDGET IMPLICATIONS:

Sani-Star and the City will split the effluent dump fee revenue 50-50; however the City will pay the credit card fees leaving the City's share closer to 40%. The City typically collects between \$2000 and \$2500 annually from the RV dump site. As of May 31, 2014 the City has collected \$1938 for the fiscal year. This revenue goes into the Wastewater Fund. Sani-Star suggests that honor system sites typically see a two to three fold increase in revenue with an automated card swipe payment system. Thus the City's annual revenue may increase to \$4000 to \$6000.

RELATED CITY GOAL:

Infrastructure and Services: To maintain and improve the City's physical infrastructure and provide quality services for current and future citizens.

ACTION REQUESTED:

Adopt resolution 14-15 Amending Fees for General Government Operations and Business Licenses.
