ISSUE: **OLCC License Application – Fast Mart Convenience Store**

BACKGROUND:

Oregon Revised Statute (ORS) 471.166 establishes the process for local governments to make recommendations to OLCC regarding approval of or denial of initial OLCC license applications and any additional privileges to their existing OLCC license. As part of the process, the Police Department reviews all initial and additional privilege applications to ensure compliance with applicable regulations. The City Council is charged with the responsibility for recommending approval or denial of these applications to the Oregon Liquor Control Commission bases on information submitted by the Police Department.

On June 30, 2014, the owners of a new proposed convenience store, Fast Mart applied for OLCC licenses that would allow them to sell beer and wine at their business located at 810 Central Avenue, Coos Bay. Records Supervisor Chris Esperance has reviewed the application and conducted a records check of the business and applicants. The investigation revealed no information that would prohibit the issuance of the Off-Premises Sales license.

ADVANTAGES:

A business operating in compliance with OLCC regulations can add to the economic stability of our community.

DISADVANTAGES:

None identified

BUDGET:

No impact

RECOMMENDATION:

If it pleases the Council, please recommend the approval of the Off-Premises sales licenses for the Fast Mart Convenience Store located at 810 Central Avenue, Coos Bay, Oregon.
