Committee(s) applying for: Tree Board

1. Identify your experience, education, and training which would benefit the committee and the community.

I have a Bachelors degree in Civil Engineering and a Masters degree in Water Resource Engineering both from Oregon State University. I work for an engineering consulting firm here in Coos Bay and have a great deal of experience in; regulatory requirements, city ordinances, green technology, city planning, and detailed infrastructure design.

2. Do you live in the City of Coos Bay? Yes

3. How long have you lived in Coos Bay? 2 years

4. Do you own property in Coos Bay? Yes

5. List the nature and extent of your past and present community involvement.

I have been involved in many different volunteer based community improvements. In the past i have been part of Benton Soil and Water Conservation District in which i did public education and riparian zone improvements. Served lunches at various homeless shelters and currently volunteer at Blossom Gulch Elementary and local beach clean ups.

6. List two references we may contact; include name, title, affiliation, address and phone.
