

**CITY OF COOS BAY  
JOINT CITY COUNCIL / URA WORK SESSION  
Agenda Staff Report**

<b>MEETING DATE</b> January 10, 2017	<b>AGENDA ITEM NUMBER</b>
---	---------------------------

TO: Mayor Benetti and City Councilors

FROM: Eric Day, Community Development Director

THROUGH: Rodger Craddock, City Manager

ISSUE: URA Annual Financial Report for FY 2015/16

**BACKGROUND:**

Oregon Revised Statue (ORS) 457.460 requires a financial impact statement from the URA to be filed with the City Council by January 31<sup>st</sup> of each year. The attached report is in addition to the URA Budget and the URA Audit which were accepted by the Council last year.

Components of the financial report include:

- The amount of money received during the preceding fiscal year and the indebtedness incurred.
- The purposes and amounts for the money received were expended during the previous fiscal year.
- An estimate of the money received, including indebtedness, during the current fiscal year.
- An analysis of impacts, if any, of carrying out the plan for all taxing authorities for the preceding year.

A few of the highlighted projects in the report include:

Downtown URA:

1. Egyptian Theater Restoration Project
2. Bayshore Sidewalk and Fence Project
3. Streetscape Project

Empire URA:

1. Dolphin Theater
2. Empire Blvd. Street Improvement Project

**ADVANTAGES:**

The preparation of the report and acceptance by the City Council satisfies the Oregon Revised Statutes (ORS) 457.460 requirement. The report provides an accounting and record of URA revenues and expenditures and a summary of the projects completed or worked on during the time period of the report.

**DISADVANTAGES:**

None identified.

**BUDGET IMPLICATIONS:**

Detailed budget information is outlined in the report.

**ACTION REQUESTED:**

Staff requests that the City Council accept the annual URA report for fiscal year 2015-2016.

**ATTACHMENT**

- URA Annual Financial Report FY 2015/16

# City of Coos Bay Urban Renewal Agency

Annual Financial Impact Report  
2015-2016

## City of Coos Bay's Urban Renewal Districts

The City of Coos Bay established the Downtown Urban Renewal District in 1988 and the Empire Urban Renewal District in 1995. The Urban Renewal Agency is comprised of the City Council and through annual goal setting and the budget process, determines projects to be funded. Urban renewal funds benefit Coos Bay through the projects and programs that play a major role in revitalizing and curing blight within the Urban Renewal areas.

### Downtown Urban Renewal District

The Downtown Urban Renewal District consists of 1,298.3 acres. The district (as shown below) begins at the north city limits and runs between the navigation channel and Highway 101 south and southeast toward the city's core area. The district's boundaries proceed south until they come nearly in line with the industrial property located in Eastside. The eastern boundary then turns east to include the industrial-commercial lands in the Eastside area. The westerly boundary proceeds west to include the downtown core area which was a part of the first Urban Renewal Plan and also includes several blocks

of transportation corridor immediately west of the core area. The eastern and western urban renewal area boundaries begin to come together in the southern portion of the city and extend to the south city limits along Coalbank Slough.

The Urban Renewal Plan classifies potential urban renewal projects in three general, broad categories: Waterfront Development, Core Area Revitalization (Downtown), and Streets and Infrastructure. The objective of the proposed projects is to encourage public/private investment, eliminate existing blight and respond to the business needs of the community. The Urban Renewal Agency and the Urban Renewal Advisory Committee (URAC) began formulating a revised Downtown URA plan during the 15/16 FY. This plan is projected to be completed during this FY.

## Empire Urban Renewal District

The Empire Urban Renewal District consists of 271.3 acres. The district (as shown below) borders the Empire Bayfront parcels adjacent to Empire Blvd from Wisconsin Avenue north to the shoreline. At the intersection of Empire Blvd and Newmark Avenue, east on either side of Newmark Avenue to the intersection with Ocean Blvd, east to the property line between Norman Avenue and LaClair Street.

The objectives of the plan are to improve the function, condition and appearance of the urban renewal area and eliminate existing blight. Project categories for the Empire Plan are: Waterfront Development, Empire Blvd and Bayfront Improvements, and Improve Primary Commercial Area. The Urban Renewal Agency and the Urban Renewal Advisory Committee (URAC) are planning to complete a revised Empire District urban renewal plan during the 16/17 FY.

## Prominent Downtown District Projects Made During Fiscal Year 15/16

### Coos Bay Downtown Association

The Coos Bay Downtown Association (CBDA) is an independent, non-profit organization promoting the development of downtown Coos Bay. CBDA is part of the Oregon Main Street movement which promotes the revitalization of downtowns through economic development and historic preservation. Major projects this year included growing the successful Downtown Farmer's Market and the Blackberry Arts Festival, continuing with formulating an inventory of downtown businesses, the creation of a vacant property database, and the CBDA membership drive.

## Egyptian Theatre Restoration

### Egyptian Theater Project:

The goal of this long standing project as determined by the City Council is to return the Egyptian Theatre to its historic role as a cultural and economic anchor of downtown Coos Bay. To achieve this goal, the project focuses on three primary objectives: 1) re-opening the theatre, 2) ensuring adequate revenue streams to continue to operate the theatre in a sustainable manner, and 3) ensuring the theatre is a vibrant contributor to the community. This overall project has three phases, which are; Structural, Façade, and Canopy/Marquee. As these phases have been completed the project is coming to an end.

### Structural Phase:

Strengthening of mezzanine lobby floor; Helical pile, foundations, and steel framing installation at west exterior wall; Strengthening of roof members; Construct ADA Restrooms; Installation new electrical service. This phase was completed in a prior fiscal year.

### Façade Phase:

Demolition of the main entrance canopy, marquee support, ticket booth soffit and entry doors. Replacement of the main entrance canopy and marquee support, even out wall surface, replacement of the existing front façade, including new doors and windows and fixtures per design detail. This phase was completed in FY 15/16.

### Canopy/Marquee Phase:

Design, fabricate and install a marquee reader board and canopy using aluminum construction with exposed ruby red neon. This phase was completed in FY 15/16.

Before

After

## Bayshore Sidewalk and Fence Project

In March 2013, the Urban Renewal Agency (URA) authorized an intergovernmental agreement between the City of Coos Bay, ODOT and Coos Bay Rail to construct a fence along the eastside of Highway 101/Bayshore. This project was completed during FY 15-16.

## Streetscape Project

The Urban Renewal Agency (URA) and staff have started working on the preliminary components of a streetscape plan along Highway 101 focused on the City entrances within right-of-way and City owned property. The City has engaged the services of Greenworks, a Portland based landscape architectural and urban design firm, to prepare renderings for streetscape concepts. The goals of this plan are to add landscaping, signs and other visually attractive elements to the downtown area of the City yielding powerful results to the commercial district.

## Empire District Projects

### The Dolphin Theater

The Urban Renewal Agency and staff worked with the Dolphin Players on a façade project for the Dolphin Theater with an estimated cost of \$130,000. The project included stucco repair, painting, removing the old canopy, replacing windows and the most visible improvement being a new marquee. The Players funded about \$19,900 of the total cost while the URA's share came it just over \$111,000. The project is now complete and the makeover, not only for the building but the area as a whole, is remarkable.

Before

After

## Empire Blvd Bicycle/Pedestrian Improvement Project

The Empire Blvd. improvement project stretches from from Newmark Avenue to Wisconsin Avenue in the Empire section of Coos Bay. In March 2012, the City was awarded a Transportation Enhancement grant and a Bicycle Pedestrian for the project. The purpose of the project is to increase pedestrian and bicyclist safety through the widening and rehabilitation of South Empire Blvd, installation of bicycle lanes, and installation of sidewalks and lighting on both sides of the street. The project will also include the installation of some viewpoints and creation of some on-street parking. Funding for the project will come from the \$3.1 million grant, a \$2.2 million Bicycle/Pedestrian grant awarded by the Oregon Department of Transportation, and approximately \$970,000 from the Urban Renewal Agency. Construction began in March 2015 and currently has an estimated completion date of July 2017.

## Façade Grant Projects

The Façade Improvement Program is a grant program designed to provide financial assistance to property owners and tenants of commercial properties and to promote the revitalization of Coos Bay's Urban Renewal Districts. Matching grants are typically awarded up to 50% of the project cost from a minimum of \$1,000 to a maximum of \$25,000.

During the 2015-2016 fiscal year, six façade grant projects were funded:

### Downtown Urban Renewal Area

**Building Name:** Coney Station

**Address:** 295 South Broadway

**URA Funds:** \$25,000

**Value of Improvement:** \$65,585

**Project Completed:** August 2016

**Description:** Replaced existing awning with a continuous black vinyl awning on the east and south elevations; installed LED lighting under the awning; repair the stucco façade and bench; and repainted the structure.

Before

After

Coos Bay Urban Renewal Agency Annual Report  
Fiscal Year Ending June 30, 2016

**Building Name:** HGE Building

**Address:** 333 S 4<sup>th</sup> Street

**URA Funds:** \$25,000

**Value of Improvement:** \$51,800

**Project Completed:** August 2016

**Description:** Cleaned, repaired and painted the exterior, replaced windows and doors, added gutter/downspouts, exterior lighting, minor restoration of stone veneer, replaced the entry door.

Before

After

Coos Bay Urban Renewal Agency Annual Report  
Fiscal Year Ending June 30, 2016

**Building Name: Coos Elderly Services**

**Address: 390 South 2<sup>nd</sup> Street**

**URA Funds: \$13,620**

**Value of Improvement: \$29,700**

**Project Completed: August 2016**

**Description:** Replaced existing awning and replace current entry door with an ADA compliant door and threshold.

Before

After

**Empire Urban Renewal Area**

**Building Name: Empire Mercantile**

**Address: 640 Newmark Avenue**

**URA Funds: \$25,000**

**Value of Improvement: \$75,500**

**Project Completed: In progress**

**Description:** Replace deteriorating façade, paint the north, west and south elevations and add security lighting on the Wall Street elevation.

Before

**Building State of Oregon/Work Source Coos**

**Address: 990 S. 2<sup>nd</sup> St.**

**URA Funds: \$25,000**

**Value of Improvement: \$61,360**

**Project Completed: In progress**

**Description:** The applicant plans to add a brick/slate veneer siding, repair/replace metal siding, repair windows on south side of building and replace/repair exterior soffits and lighting.

Before

Rendering of what's to come.

Coos Bay Urban Renewal Agency Annual Report  
Fiscal Year Ending June 30, 2016

**Building Name:** Star of Hope  
**Address:** 657 Newmark Avenue  
**URA Funds:** \$4,983

**Value of Improvement:** \$9,966  
**Project Completed:** In progress

**Description:** The applicant plans to add awnings to the north elevation and repair weather damaged stucco as well as painting the north and west elevations. Their proposed color scheme is a light blue body with dark blue columns, white trim and black awnings.

Before

Rendering of what's to come.

## Urban Renewal Taxes Imposed

When Coos Bay formed the Downtown District in 1988 it created an urban renewal boundary and determined the assessed value in the district at \$50,671,009. The Empire District was formed in 1995 and its assessed value was determined at \$23,772,166. This assessed value is the "frozen base". As shown in Table 1.1 (Below) the Downtown District is now valued at \$105,231,272 which reflects an excess value of \$54,560,263. The empire District now has a value of \$67,935,204 which reflects an excess value of \$44,163,038.

Improvements within an urban renewal district increase property values and this new value is called "increment" or "excess value". The property taxes from the increase in value go to the urban renewal agency. Revenue generated in this manner is referred to as "tax increment financing" or "division of tax revenue".

## Overlapping Taxing Districts

Throughout the life of the urban renew district the overlapping taxing districts continue to receive tax revenues from the original assessed value (frozen base). When the district ends, all assessed value will be redistributed back to the taxing districts at the higher assessed value.

Table 1.1

Overlapping District's Foregone Taxes				
Fiscal Year 2015/2016				
		Downtown District	Empire District	
Shared Value		\$1,003,412,860		
Plan Area Current Value		\$ 105,231,272	\$ 67,935,204
