

CITY OF COOS BAY CITY COUNCIL
Agenda Staff Report

MEETING DATE January 17, 2017	AGENDA ITEM NUMBER
---	---------------------------

TO: Mayor Benetti and City Councilors

FROM: Jim Hossley, Public Works Director

THROUGH: Rodger Craddock, City Manager

ISSUE: Approval to Purchase Three Work Trucks for the Public Works Department

SUMMARY:

Replacing equipment and vehicles at the end of their useful life saves the City money, improves customer response time, and helps ensure safety. Industry standards for vehicle replacement are 6-10 years of use or 100,000 miles depending on type of vehicle and the use. Over 80% of Public Works vehicle fleet exceeds the 6 – 10 year age and a majority of the fleet has well over 100,000 miles.

The Oregon Department of Administrative Services Procurement Services develops, establishes, and administers statewide contracts for goods and services on behalf of state government. It also allows Oregon municipalities access to the Oregon Procurement Information Network (ORPIN) website for goods and services under the Oregon Cooperative Procurement Program (ORCPP), which the City of Coos Bay is a member. Therefore, Public Works staff used the ORPIN website to obtain cost for fleet replacement 1.) one Dodge Ram 2500 4X4 Pickup fully outfitted for \$32,660.20, 2.) two Chevrolet 3500 HD with Dump Box and fully outfitted at \$39,627.48 each X 2 = \$79,254.96.

ACTION REQUESTED:

If it pleases the City Council, approve the purchase of two 1-Ton Chevrolet pickup trucks and one ¾ ton Dodge Ram 2500 pickup through the Oregon Department of Administrative Services Procurement Services for a total not to exceed \$117,510.16 which includes contingency and trucks fully outfitted for use.

**CITY OF COOS BAY
JOINT CITY COUNCIL / URA WORK SESSION
Agenda Staff Report**

MEETING DATE January 10, 2017	AGENDA ITEM NUMBER
---	---------------------------

TO: Mayor Benetti and City Councilors

FROM: Randy Dixon, Operations Administrator

THROUGH: Jim Hossley, Public Works Director
Rodger Craddock, City Manager 

ISSUE: Consider Approval of the Purchase of Three Work Trucks for the Public Works Department

BACKGROUND:

Replacement of worn-out equipment and vehicles is an on-going effort to sustain fleet reliability and maintainability. Replacing equipment and vehicles at the end of their useful life saves the City money, improves customer response time, and helps ensure safety. Industry standards for vehicle replacement are 6-10 years of use or 100,000 miles depending on type of vehicle and the use. Over 80% of Public Works vehicle fleet exceeds the 6 – 10 year age and a majority of the fleet has well over 100,000 miles.

ADVANTAGES:

Purchase of the new vehicles ensure our ability to safely and adequately carry out public works duties. Reduction of time loss due to vehicles out of service as well as reduction of maintenance costs.

DISADVANTAGES:

Other than initial purchase cost, no disadvantages.

BUDGET IMPLICATIONS:

The Oregon Department of Administrative Services Procurement Services (DASPS) is the central procurement authority for state agencies that are subject to DAS authority. The office develops, establishes, and administers statewide contracts for goods and services on behalf of state government. It also allows Oregon municipalities access to the Oregon Procurement Information Network (ORPIN) website for goods and services under the Oregon Cooperative Procurement Program (ORCPP), which the City of Coos Bay is a member. Therefore, Public Works staff used the ORPIN website to obtain cost for fleet replacement 1.) one Dodge Ram 2500 4X4 Pickup fully outfitted for \$32,660.20, 2.) two Chevrolet 3500 HD with Dump Box and fully outfitted at \$39,627.48 each X 2 = \$79,254.96.

Description	Bruce Chevrolet	Power Dodge	Combined Total
	Two, 1 Tons	One, ¾ Ton Pickup	
ORPIN Cost	\$29,680	\$26,840	
Outfitted	\$9,947.48	\$5,820.20	
Cost Per Each	\$39,627.48	\$32,660.20	
Subtotal	\$79,254.96	\$32,660.20	\$111,915.16
Contingency 5%			\$ 5,595.00
Total			\$117,510.16

This purchase is funded for in this fiscal year's budget. There is \$122,500 allocated in Fund 34 for the purchase of these vehicles.

ACTION REQUESTED:

At the next City Council meeting, January 17th, staff will request Council consider approval to purchase two 1-Ton Chevrolet pickup trucks and one ¾ ton Dodge Ram 2500 pickup through Department of Administrative Services Procurement Services for a total not to exceed \$117,510.16 which includes contingency and trucks fully outfitted for use.

ATTACHMENT:
