# City of Coos Bay Comprehensive Parks Master Plan Survey

## Q17: Remarks?

We really need a dog park and a multiuse community center. the skate park needs to be expanded for use by novice skaters. The boardwalk is a big attraction to visitors, but it needs to be expanded and spiffed up.

# City of Coos Bay Comprehensive Parks Master Plan Survey

## Q17: Remarks?

I have visited my mother in Coos Bay for the last 20 years and I moved here last August. Therefore I have been looking at things to do as I am disabled and want to enjoy Coos Bay's public activities that I can. I honestly feel that a dog park would bring a wonderful attraction to those who do not have a place to take dogs to play and run. It is a place that affords leisure, time to talk to people, and quite honestly although some children do come, primarily dog parks attract adults during school hours and adults after work. As I mentioned I am disabled and my service dog "works" all the time for me and he loves the free time with other dogs as I love talking to new people.

**Q15: What types of programs are most needed in Coos Bay?  
Please check two.**

Special events (concerts in the park, festivals),

Drop-in activities

**Q16: Which other groups are underserved by current  
recreation services? Please check one.**

Families

**Q17: Remarks?**

Having at least one park or pretty space in each neighborhood with at least one activity for each age group would really benefit the quality of life for all residents. Even if it is just a garden and small playground.

# City of Coos Bay Comprehensive Parks Master Plan Survey

## Q17: Remarks?

More parks are needed before all available open spaces are developed for housing. This is an important aspect of how we keep our community healthy and should be a priority in planning processes.

# City of Coos Bay Comprehensive Parks Master Plan Survey

## Q17: Remarks?

This area needs an large multi use park and rec facility that would include youth playing fields and large open spaces that could be used for large community and outside gatherings. A facility such as this would benefit the local youth and could be used to host regional and state wide tournaments and gatherings which in turn could help to benefit the local economy as well.

# City of Coos Bay Comprehensive Parks Master Plan Survey

## Q17: Remarks?

I would like to see an area large enough for people to take their dogs to play Frisbee and other Active sports. Maybe even an area with agility equipment. Not many areas to let your (well behaved) dog run and play. Walking your dog is not always enough for them.

# City of Coos Bay Comprehensive Parks Master Plan Survey

**Q16: Which other groups are underserved by current recreation services? Please check one.**

Families

**Q17: Remarks ?**

Parks and recreation areas are important to me. I enjoy and use various parks in Coos Bay and North Bend. I appreciate the effort put into developing and administering this survey. I also applaud those who will attempt to extract data out of the survey results.

I recommend that, prior to activating a survey in the future, the people involved do a lot more research about surveys and the issue being surveyed. I also recommend that much more thought and fine tuning be put into the survey questions. This survey was poorly constructed. The "Check two" is a poor way to construct a survey question. Many of the questions are leading questions, presuming a particular thought or belief. Question 6 is possibly the most pathetic survey question that I have ever seen. I do not see a way for it to provide useful data. Question number 10, "If you seldom use or do not use the parks or trails in Coos Bay, what are your reasons? Please check two.", Requires that I skip the question as I do use the parks and trails in Coos Bay. That method can be useful but many participants will not skip the question, even if they should based on their situation. This invalidates much of the information that could possibly be gleaned from the answers because the construction of the question causes incorrect responses.

# City of Coos Bay Comprehensive Parks Master Plan Survey

## Q17: Remarks?

Feel the parks and schools have a negative image..schools that have closed have terrible grounds and old fields that would not attract any of the population to move here. I feel unsafe in many of the parks and wish not that you add more, but maintain our areas. I wish we would take more pride in our city.

# City of Coos Bay Comprehensive Parks Master Plan Survey

**Q16: Which other groups are underserved by current recreation services? Please check one.**

Families

**Q17: Remarks?**

It would be great if there were some kind of walking/biking trails for people that live along Cape Arago Hwy and in Barview to walk that wasn't near the busy C.A. Hwy. Seems like there is lots of undeveloped woody areas behind these neighborhoods east of C.A. Hwy that citizens could walk in a nature-like setting similar to Empire Lakes trails. I may be wrong but there are no parks whatsoever from Empire all the way to Charleston that I know of. Just Food For Thought. Thank you.

# City of Coos Bay Comprehensive Parks Master Plan Survey

**Q16: Which other groups are underserved by current recreation services? Please check one.**

People with low incomes

**Q17: Remarks?**

we really need a couple fenced dog parks. There are many citizens that have dogs, that are important to their mental health, but may not have fenced yards to allow their dogs to run their energy out. Volunteers could be used to help monitor the activity in the park and to make sure that pet owners are picking up after their dogs.

# City of Coos Bay Comprehensive Parks Master Plan Survey

## Q17: Remarks?

In today's economy, having the option to ride my bicycle to work or around town would be nice but there are few bike lanes, and safety is always an issue when I think about bicycling.

A dog park would be wonderful!! Currently, I have to drive all the way to Coquille to their dog park. It's ashamed, with all the dog owners here in town, that we don't have a place to let our dogs run and get to know each other in a controlled environment.

Trails.. a must for activities for families, friends, and help to promote tourism to the area.

# City of Coos Bay Comprehensive Parks Master Plan Survey

## Q17: Remarks?

We are losing tourism dollars by not having a trail about the bay--even if we have to leave the waterfront due to property issues, we should have the capacity to run, walk, bike, etc. around the bay!

# City of Coos Bay Comprehensive Parks Master Plan Survey

## Q17: Remarks?

I love this town so much. Being born and raised here, and planning on raising my own family here as well, I want this town to flourish and be the best it can be. With existing parks, there definitely needs more maintenance, to keep restrooms clean and the flora and fauna happy.

<b>Q14: What type of recreation facilities are currently most needed in Coos Bay? Please check two.</b>	Tennis courts, Multi-modal bike trail connectivity by way of bicycle, pedestrian, walking, access trails, and the like

# City of Coos Bay Comprehensive Parks Master Plan Survey

**Q15: What types of programs are most needed in Coos Bay?  
Please check two.**

Special events (concerts in the park, festivals),

Outdoor / environmental programs,

Before and after school programs

**Q16: Which other groups are underserved by current  
recreation services? Please check one.**

People with low incomes

**Q17: Remarks?**

Our county has such great potential to have beautiful parks - consider how a bike/running path around the bay would bring in folks from all over the state/country as well be a fantastic asset to local community members who could enjoy it as well.

# City of Coos Bay Comprehensive Parks Master Plan Survey

## Q17: Remarks?

Another piece of land that is not being used would be big to add a disc golf course onto. Sadly the course at Mingus gets destroyed by high school kids and bums and feels unsafe to play. There is a group of volunteers that would do the work on put in a new course. A piece of land would be all that was needed as sponsors could be found for new baskets and tee pads.

# City of Coos Bay Comprehensive Parks Master Plan Survey

**Q16: Which other groups are underserved by current recreation services? Please check one.**

People with low incomes

**Q17: Remarks?**

I would love to see the Coos Bay area expand access to the natural resources that we already have available. With the expansive waterfront, it is too bad that we don't have more fishing, crabbing, birding, viewing, and ecological areas along the waterfront. We have the natural areas at our disposal, we just don't take advantage of them. The recreation, leisure, and educational abilities of such facilities/locations would provide wonderful possibilities to our area and bring in tourists during the travel seasons.
