Case Number: P20122020

### Suspected Improvised Explosive Devices

While investigating a domestic violence report, officers from the Coos Bay Police Department learned of a cache of firearms, ammunition, and improvised explosive devices at 148 Hull Street, Coos Bay, Oregon. While at the home, officers located items that they believed were likely improvised explosive devices and subsequently evacuated the home, set up a perimeter and contacted the Oregon State Police Bomb Squad, who are enroute to that location at this time. Officers also closed Hull Street and notified the residents in the neighboring homes to suggest they also evacuate their residences as a precaution.

Additional press releases will be issued as further information becomes available.
