Coos Bay Fire & Rescue Cleans Up Ocean Blvd.

On Saturday September 14, 2013 between 9:00 a.m. and 1:00 p.m., motorists will see Coos Bay Firefighters walking on Ocean Boulevard picking up trash along the roadway. The Firefighters are donating their time to prepare Ocean Boulevard for the upcoming Prefontaine Memorial Run which is scheduled for September 21, 2013. The Coos Bay Fire Department asks for motorists to be aware of the increased pedestrian presence on the roadway and to use increased caution when traveling through this area.

Coos Bay Firefighters strive to work hard for the citizens of Coos Bay not only when we are answering emergency calls but also in making the City we reside in a more beautiful place. Coos Bay Firefighters take extreme pride in their work both professionally and in the various volunteer activities that we partake in. Coos Bay Firefighters are proud of our community, and we are committed to providing excellent services to our citizens.

The Coos Bay Fire Department would like to remind everyone that a new school year has started and children may be present along our city streets making their way to school or on their way home after school. Please be extra careful in these situations and use caution near crosswalks.

If you need any additional information about the Ocean Boulevard clean up on September 14, 2013, please contact Battalion Chief Dan Crutchfield or Interim Fire Chief Mark Anderson at 541-269-1191.
