

You're Invited:

# Front Street Action Plan OPEN HOUSE

We want to hear from you about how to improve our waterfront.

- What kinds of investments should the City make?
- What incentives should be available for business owners and developers?
- How can the community play a part in the redevelopment of our waterfront?

We'll begin with a **quick presentation** about the current opportunities and barriers to development, followed by **your ideas and questions**.

Thursday,  
September 15
