** Roosters are prohibited.

6. Description of animal(s). Please include quantity, species, breed/type, gender, and size.

7. Description of housing and enclosures, including size and location. Attach a map showing all structures on site.

8. Description of current uses of adjacent properties, with distances to where animals will be kept as compared to structures, fences, etc., including distances from buildings on adjacent properties.

9. Description of method for handling solid waste and manure, including type of storage and frequency of waste disposal. (Manure should be kept in a water-tight and fly-tight receptacle, emptied sufficiently often and in such manner as to prevent its becoming a nuisance. No manure shall be allowed to accumulate except in such receptacle. CBMC 6.05.050(6).)

Permits are valid for one year from issue date. Applicant is required to report any changes to any items shown on this form within 10 days of date of change or the Animal Control Permit may be revoked as per CBMC 6.05.050(4).

Animals cannot disturb neighbors by noise, odor, or other means. Animals must have food, potable water, shade or shelter. A violation of any of the provisions of CBMC 6.05 shall be grounds for revocation of such permit. Any animal which is the subject of a violation of this chapter may be impounded by any city employee, law enforcement officer or county dog control officer.

I hereby certify that I have read and examined this application and know the same to be true and correct.
