APPLICATION FOR APPEAL DIRECTOR OR PLANNING COMMISSION ACTION

Appellants are responsible for costs related to an appeal of a City land use decision by the Public Works/Community Development Director and/or Planning Commission. Appellants are also responsible for funding any application required by LUBA, Circuit Court and any appellate court.

A \$450.00 nonrefundable deposit is required with this appeal application. This application will not be accepted by the City without the \$450 deposit. Within five working days from receipt of this appeal application and the deposit, the City will notify the appellant of the anticipated appeal costs.

The Appellant shall pay the actual costs of public noticing and mailing, hearing(s), recording fees, Hearing Official, Planner or Technical Professional fees, legal fees, filing fees and publishing fees, review of technical reports and peer review. Appellant will also pay 15% of any Consultant (including legal) cost related to the appeal as an administrative fee for staff contract management.

If an appeal is withdrawn, the deposit will be refunded, less the cost of staff and consultant time incurred, and the cost of related appeal materials and actions, including, but not limited to, filing and publishing fees.

Within 5 working days of identification of an appeal's actual costs, the appellant will provide 50% of the estimated cost to the City for processing of the appeal to commence. After work on the appeal has commenced, the appellant shall provide the remaining 50% of the estimated appeal cost once the balance of the first 50% of has declined to \$1,000. City processing of work on the appeal shall cease until such time as the remaining 50% of the estimated appeal cost has been provided by the appellant.

It is at the City's discretion to use contract services to respond to the appeal. The City reserves the right to update the required cost of service for appellant payment if, as the appeal processing progresses, it becomes apparent that the original cost estimate was either too high or low. The terms of payment in such a case shall be as the original cost estimate, with the appellant providing 50% of any additional estimated appeal cost and the additional 50% once the balance of the first 50% of has reached \$1,000. City processing of work on the appeal shall cease until such time as the remaining 50% of the additional estimated appeal cost has been provided by the appellant.

At the end of this Land Use appeal application, the appellant is provided a signature line identifying concurrence with the requirements noted in this summary.
