

City of Coos Bay
Planner I Supplemental Application

1. Describe your professional strengths.

2. What is your experience in land use proposal evaluation and land use permit processing?

3. Describe your experience working in a collaborative, fast-paced environment with multiple tasks, changing deadlines and frequent interruptions.

4. What is your experience working with the public, particularly an experience working at a customer service counter? Please explain how you ensure high-quality customer service delivery.

5. Why are you interested in the Coos Bay Planner I position?
