PROPERTY WATCH

PROGRAM OVERVIEW

WHAT IS PROPERTY WATCH?

Property Watch is a program that the Coos Bay Police Department started in 2019 and is designed to assist owners of commercial properties, businesses, and apartment complexes curb unwanted activity that occurs after business hours or when the owner (or manager) cannot be contacted. Without authority granted by the person responsible for the property/business, the police are often not able to take action on non-criminal issues that occur on private property. Some examples would be non-residents/customers hanging out on property, skateboarding, non-customer vehicles in the parking lot, etc.

The Property Watch Program allows the person responsible for the property to partner with the police and authorize the police to act on their behalf when they are not there. This program is based in similar successful programs used by Astoria Police, Beaverton Police, Pendleton Police, and Salem Police.

The legal foundation is a signed agreement that provides the authority for police to contact people that are on private property (that are members of the Property Watch) and ask them to leave the property. The goal is to have the police legally able to assist in helping keep your property safe when you are not there. There is no cost to you to be part of the program, it is renewed yearly and you can withdraw from the program at any time.

I hereby authorize the Coos Bay Police Department and its officers to act as my agent for the purposes of excluding persons from these premises according to the criteria for exclusion enclosed with the program materials and for the reasonable suspicions that a person has violated *Oregon Revised Statutes (ORS)* or *City of Coos Bay Municipal Codes (CBMC)*. I further authorize the Coos Bay Police Department and its officers to act as my agent to enforce trespass laws against persons who unlawfully enter or remain upon the premises.

Unless you are otherwise directed by me, a person who is found to engage in conduct constituting grounds for exclusion according to the above described criteria shall be excluded from the premises for a period of one year. If the excluded person abides by the terms of the exclusion for one year, the exclusion shall be cleared.

My intent by this authorization is to empower police officers of the Coos Bay Police Department to become "person in charge" of the above-mentioned premises-to the extent contained in the criteria for exclusion-as the term is defined in *ORS 164.205(5)*. You hold this authority over the premises as my agent and will be acting in your capacity as peace officers.

I understand our relationship under this agreement is not intended by you, and should not be interpreted by me as an express or implied representation that I will receive any special service from the City of Coos Bay, the Coos Bay Police Department, employees of the City of Coos Bay, or its agents.

I also understand my participation in the arrangement is voluntary. I have the power to authorize the Coos Bay Police Department to act as my agent in the manner described and to also revoke this authority. You have encouraged me to use my own judgment to determine if this arrangement is right for my business. I have considered whether to discuss the program with my own legal advisor to help determine if this arrangement is suitable for my circumstances.

I further understand that any police officer who takes action against a suspected violator of my criteria for exclusion will take such action based on the officer's own professional evaluation that there are sufficient grounds to support whatever action is taken. I understand the Coos Bay Police Department provides a grievance procedure for upset persons to review their exclusions with police administration without the necessity of my personal involvement as a private citizen.

I agree to release and/or waive any claim or action that I, my business, or anyone who may act on my behalf may have against the City of Coos Bay, its Council, Mayor, employees or agents for loss of life, bodily injury, damage to property or damage to reputation arising out of or occurring while the City, its Council, Mayor, employees or agents are operating under a reasonable belief that they are acting pursuant to the terms of this letter.

Further, I agree to hold harmless, defend, and fully indemnify the City of Coos Bay, its Council, Mayor, employees or agents from a legal action brought by or on behalf of any person or persons excluded or any other person or organization who may take legal action as the result of an exclusion. I also hereby represent that I have the authority to make this representation for my business.

I have lawful control of the described premises by virtue of the fact that I am an owner of the premises or otherwise have lawful authority over them to the extent required to make this authorization.

The authorization granted herein is not intended to diminish my ability to control the above described premises. I remain a person in charge of the premises notwithstanding my delegation of authority to the Coos Bay Police Department or its officers. The authorization granted herein is not intended by me to limit my legal or equitable remedies if I choose to enforce my rights by other means against violators of the enclosed criteria for exclusion.

At any time, I wish to terminate the authorization granted by this letter, I will notify the Coos Bay Police Department in writing and will remove any signage, or related materials, that indicate my participation in this program from my business. If ownership of the property changes during the length of this agreement, then I will notify the Coos Bay Police Department, in writing, about the change in ownership and the contact information for the new owner.

If at any time I wish to overturn an exclusion you may impose upon a person, I will notify the Coos Bay Police Department immediately of my decision. This is intended to reduce confusion over the person's exclusion status.

The authorization to exclude persons will begin upon entry of the agreement into Coos Bay Police Department's record management system. The agreement will be in effect from the date this agreement is signed until the end of the calendar year 2022 (December 31, 2022) unless canceled by either party.

For trespass agreement to be valid, locations are required to be within the corporate city limits of Coos Bay.
